## Safety Play Finesse

You are declarer (South) in 6♠. East/West have bid hearts along the way and West leads the ♥2. Take a look at the hand as shown in the next column and decide how you will play your slam.

After ruffing the opening lead, draw two trump ending in dummy and whether trump are 3 - 2 or 4 - 1 stop and lead the ♣J from dummy.

If East discards win the ♣A and exit a club. You have the rest of the tricks. If East follows with the ♣9 let the ♣J ride.

Either West will ruff in which case you have the rest of the tricks or West will win the bare ♣K in which case you still have the rest.

In other words, taking the club finesse is the way to ensure the slam. If you play for clubs to be 1 - 1 you will go down if East has the ♣K9 and West still has a trump.

It's not every day that a finesse is the winning play.
